Stay at Home

Stay at Home

A very big thank you to all our families for your words of thanks to the staff at Park Junior School during these unprecedented times.

Thank you to all those children who have been coming into school and social distancing. You have been brilliant.

Term 6

As we welcome some of our Y6s back into school for their last term we wish you all a good start to term 6.

It is a term like no other in that so many of our young children are still at home with you whilst we provide some transition time for our year 6 before they leave and go to secondary school.

At this time we are not sure what school provision will look like for the whole term and wait for the guidance from Government.

Whatever happens we know you will continue to provide the best possible support for your child with their continuing journey through these uncertain times.

Education at Home

Please see our website for each week's learning and remember the maths sheets can be collected from the school reception area every week, if that is easier for you. Please just call in and pick them up.

Through our monitoring of myOn Mathletics and TTRS we continue to be impressed by the amount of time children are spending on English and maths.

Work will continue to be placed on the website for all children's home learning.

We are looking at a way to share children's work with each other via the internet at the moment and will contact you when this is finalised.
