

Review of Sport Funding 2017/2018

At Park Junior School, we identified the following areas to allocate the sport funding.

Key Indicator	Impact
<p>To promote the consistency of practice across school.</p> <p>Increase staff knowledge and confidence in PE teaching.</p>	<p>Expert PE staff member taught all children and provided CPD to all staff increasing knowledge and confidence of all staff allowing for sustainability in the future. 100% of staff reported they felt more confident and increased skill in delivering progressive lessons in the future – especially dance.</p> <p>Whilst the funding continues staff increase knowledge and expertise to benefit the learning of children.</p>
<p>Sport activity to be properly resourced.</p>	<p>New badminton set purchased involving children in a new sport regularly attended by 16 children.</p> <p>New netball equipment purchased allowing for increased practice at school and competitive games to be played against local schools.</p> <p>Profile of the school amongst the wider community and in local press is widened and parents new to the area and school recognise the school's achievements and sporting successes.</p>
<p>Increase the desire of children to take part in competitive sport.</p>	<p>Children participated in inter-schools competitions in football Y3/Y4 and Y5/Y6 cross country Y3/Y4 and Y5/Y6 netball Y5/Y6 dance Y3/Y4/Y5/Y6 rugby Y3/Y4 and Y5/Y6. This was significantly more children involved than in previous year.</p> <p>New competitive strips raised the profile of sporting teams within school and the local community increasing self-esteem.</p>
<p>Raise the profile in sport and develop an interest to participate and engage.</p>	<p>Extra-curricular school clubs of football (36 children), cricket (23 children), rugby (18 children), dance (26 children) and netball (12 children) run by expert PE teacher with good attendance.</p> <p>Cross country (24 children), country dancing (11 children) and rounders' (21 children) run by staff members with increased attendance from 16-17.</p> <p>Continue to work closely with parents and children to increase the number of children who are active at home and outside of school.</p>

<p>Children to be able to ride a bike safely.</p>	<p>89% (32 children) Y5 children received cycle training with an 83% (30 children) success rate.</p> <p>Continue to work closely with parents and children to increase the number of children who are active at home and outside of school.</p>
<p>Children to be able to participate in water sports.</p>	<p>By Y6 all children had received swimming lessons with 85% (44 children) being successful at swimming at least 25m; 71% (37 children) using a variety of strokes and 58% (30 children) being able to perform safe self-rescue.</p>
